**RE: APPOINTMENT OF MR. OJEN ISAAC TO THE POSITION OF ELECTRICIAN AND  
ASSUMPTION OF DUTY**

Mr. Ojen Isaac reported for duty on 7<sup>th</sup> October 2019 following his appointment as Electrician. He could however not immediately assume his duties but notified us that he will assume duty from 3<sup>rd</sup> December 2019.

In our discussion with him, he indicated to us that he is a first year student of Electrical Engineering at Kyambogo University.

We are wondering whether he disclosed to the panel during interviews that he was a student and whether he will provide us the required services since the job of an Electrician is a full time job requiring his availability all the time.

On that basis, we are hesitant to enter into a contract agreement with Mr. Ojen Isaac.

Please advise NaSARRI on the right course to be taken in that regard basing on the above background.

Attached is a copy of letter from Mr. Ojen Isaac requesting to assume duty in December 2019.

Yours sincerely,

  
Dr. Michael A. Ugen  
**DIRECTOR**
